SUMMARY

I am a results-driven **Software Developer** with hands-on experience in **web development**, specializing in **Python, Django, XAMPP, and front-end technologies like HTML, CSS, and JavaScript**. I excel at designing and deploying **user-centric e-commerce platforms**, enhancing user engagement by 30%, and optimizing website performance to reduce load times by 20%. Skilled in collaborating with cross-functional teams, I am committed to delivering **high-quality solutions** within tight deadlines while staying updated with the latest industry trends and technologies.

EXPERIENCE

Web Development Intern

TechVolt Software

📅 01/2023 - 05/2023   📍 Tenkasi

Web Development Intern

- Designed and developed a user-centric clothing e-commerce website, improving customer satisfaction scores by 25% through enhanced navigation and responsive interface design.
- Designed and implemented interactive UI components using JavaScript and CSS, resulting in a 30% increase in average user session duration over one month.
- Collaborated with a cross-functional team to deliver the project within a one-month timeline, ensuring timely deployment and client satisfaction.

PROJECTS

Clothing Website

📅 01/2023 - 05/2023

Developed a clothing e-commerce website that enhances customer engagement and provides a smooth shopping experience.

- Designed and implemented a fully functional e-commerce website with a seamless shopping experience, featuring user-friendly navigation and responsive design.
- Developed a fully functional e-commerce platform using Python for backend logic, XAMPP for local server management, and MySQL for database operations.
- Implemented user-friendly navigation and responsive design, resulting in a 95% user satisfaction rate during testing.
- Deployed the website on Catalyst Serverless Platform for scalable and efficient hosting.

SKILLS

Responsive Web	Full Stack	HTML	CSS

Javascript	Python	XAMPP	EXCEL	Java

EDUCATION

High School Diploma

Hithayathul Islam HR Sec School

📅 08/2019 - 05/2021
📍 Tenkasi

Cum per
82.6 / 100

Bachelor of Engineering

M I E T Engineering College

📅 08/2021 - 05/2025   📍 Trichy

CGPA
7 / 10

KEY ACHIEVEMENTS

🚩 **E-commerce Website Deployment**

Successfully deployed a scalable e-commerce website, achieving a 95% user satisfaction rate during testing.

⚡ **Website Performance Optimization**

Optimized website performance, reducing load time by 20% through efficient database querying and code optimization.

WORKSHOP

Drone Assembling and Programming Workshop

SRM Institute of Science and Technology

📅 11/2024

- Gained hands-on experience in assembling, programming, and controlling drones.
- Learned about drone components, aerodynamics, and flight simulation.
- Developed practical skills in drone technology and its applications in robotics and automation.
